## CHAPTER \_\_\_\_\_

An act to add Section 53752 to the Government Code, relating to state property.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1961, Polanco. Local government assessments.

Existing law, as set forth in Article XIII C of the California Constitution, requires voter approval, as specified, of any general or special tax that a local government proposes to impose, extend, or increase.

Existing law also prescribes specific procedures for notice, protest, and hearings for the levying of new or increased assessments by local government agencies on real property, including state property, that receives a special benefit pursuant to Article XIII D of the California Constitution. These statutory procedures supersede other statutory provisions applicable to the levying of these assessments and are subject to the approval process set forth in Section 4 of Article XIII D of the California Constitution.

This bill would require the Department of General Services to develop compliance standards in the State Administrative Manual (SAM) to inform owners of state property of their duties and responsibilities pursuant to these provisions.

*The people of the State of California do enact as follows:*

SECTION 1. It is the intent of the Legislature that the Franchise Tax Board continue to implement Section 19551.1 of the Revenue and Taxation Code, provided that the requirements of subdivision (c) of that section have been met.

SEC. 2. Section 53752 is added to the Government Code, to read:

53752. The Department of General Services shall develop compliance standards in the State Administrative Manual (SAM) to inform owners of state property of their duties and responsibilities pursuant to this article and Articles XIII C and XIII D of the California Constitution.
